

Casale Giuletta

With sweeping views across the bay, Casale Giuletta is an idyllic rural retreat situated amongst spectacular Sicilian countryside away from the hustle and bustle of the coast, though a mere 3kms away. This stunning 18th Century stone property is a rare find. The breathtakingly beautiful restored interior retains all the antique wooden ceilings and original features. Steps lead up from the rustic beamed living room with traditional open fire to a galleried reading room and bedrooms. Here one can enjoy evenings throughout spring and late autumn, whilst the thick stonewalls keep the house cool on the hottest of summer days.

Casale Giuletta is only a short drive from Visicari and the ancient village of Scopello, situated right in the heart of the literary area, ideal for those seeking a tranquil spot in which to write, read or paint.
