

Villa Chiara

Set within a private residence Villa Chiara is an ideal retreat for families wishing to be a mere stones throw from the beach. Once you have passed through the main gates down the cool bourganvella covered drive, lined with ochre covered houses on either side, you enter the faded elegant atmosphere reminiscent of the Leopard. The villa's interior has been furnished and decorated in a simple rustic style that is both comfortable and welcoming. Outside, the child friendly garden and large shaded terrace offer superb dining with panoramic views and a fully equipped outdoor kitchen.

This exclusive residence has it's own private beach and is situated within Lo Zingaro nature reserve. It has a child's play area within a short walking distance and is only 1.5km from Scopello, a village that makes no concession to a tourist presence but which offers all amenities. A perfect location from which to discover why Sicily is being tipped as the hot new gastronomic destination.
