

Villa Lucia

This classically charming family villa is ideally situated in one of the region's oldest residences with secure grounds gently leading down past mature gardens to two private beaches. Villa Lucia has been lovingly restored and boasts both indoor and outdoor kitchens as well as paved dining areas and terraced gardens. This bright and airy villa is furnished to a very high standard retaining all its rustic charm combined with the amenities of modern life.

Villa Lucia is set in a beautiful triangle hemmed on two sides by the Zingaro Nature Reserve, with its azure waters and the breathtaking 'Tonnara'. On the third side set high above the sea is Scopello an ancient 18th Century baglio. Should you wish to explore, this area is the melting pot from which one can discover anything from baroque extravagance to Roman and Greek temples.
